OUTPUT

A light gray background with several food icons: a burger, a tomato slice, a bowl of dumplings, and a slice of pizza. The text 'Better food for more people' is centered in red. Below it, a smaller line of text reads 'For over a decade, we've enabled our customers to discover new tastes, delivered right to their doorstep'. At the bottom, a white rounded rectangle contains three statistics: '3,00,000+ restaurant' with a building icon, '800+ cities' with a location pin icon, and '3 billion+ orders delivered' with a box icon.
